BUILDING ELEVATIONS & LOT GRADING

Specific building elevations and site grading for each lot shall be established at time of application for a building permit. A lot site plan (1" = 20' scale) shall be required as part of the permit application. This site plan shall indicate proposed building layout and elevation, existing utilities and easements, proposed sewer and water services, existing contours, proposed ground elevations and resulting drainage patterns. All elevations, grading and other site details shall be subject to specific approval of the County.

TYPICAL NOTE:
1.0 ft. minimum to be provided.
6" slope & T/F 6" above grade @ building.
